SECTION 3 - Introduction to the Governing Council of the University of Toronto

3.1 The Role and Powers of the Governing Council of the University of Toronto¹

The Governing Council of the University of Toronto (the “Governing Council”) is composed of 50 people, the majority of whom are elected from the Administrative Staff, the Alumni, the Teaching Staff, Full-Time Undergraduate Students, Part-Time Undergraduate Students, and Graduate Students of the University (see Section 1.2(4) for details). The current iteration of the legislation which established the University, *The University of Toronto Act, 1971*, as amended, (the “Act”), vests the Governing Council with many powers, including the powers to govern, manage, and control the University and the property, revenues, business, and affairs of the University. The Governing Council may delegate certain powers to the President, to the President’s designees, and to its Boards and Committees. By-law Number 2 of the Governing Council² stipulates how the powers of the Council are exercised, and how its meetings are conducted.

Generally, the Governing Council exercises its powers through judging matters of broad policy and through monitorial functions. The Governing Council monitors the President and the President’s senior officers (collectively, referred to as the “Administration”), who are responsible for the administration of the University, through, for example:

- the review, assessment, and deliberation of matters and proposals brought before the Governing Council by the Administration for approval;
- the receipt of regular oral and written reports from the Administration;
- the use of Question Period at meetings of the Governing Council;
- the requirement in policy documents for routine reporting of specific administrative actions;
- the receipt of an annual report from the University Ombudsman;
- the right to approve the establishment and disestablishment of senior executive offices and the appointment of University officers; and
- an active Audit Committee.

Some examples of matters brought by the Administration before the Governing Council and its Boards and Committees for approval include:

- proposals for new academic programs and units;
- policies on admissions and awards, tuition and ancillary fees, research, and grading practices;
- multi-year budget guidelines and capital plans;
- resource allocation in support of the University’s priorities;
- campus and student services; and
- acquisition and/or disposal of assets.

Detailed information about the Governing Council, including its meeting schedule, membership information, and agendas and minutes of past meetings are available online at:

3.2 Members of the Governing Council: Their Duty, Being Effective Members, and Time Commitment

(1) The Duty of Members of the Governing Council

The *Act* imposes a legal obligation on members of the Governing Council to act with diligence, honesty, and with good faith in the best interests of the University.

(2) Expectations and Attributes of Members of the Governing Council

Governors are collectively and individually stewards of the University. Each Governor must act in good faith with the view to the best interests of the University as a whole, to defend the autonomy and the independence of the University and to enhance its public image. In this context, listed below are principles considered critical to being an effective member of the Governing Council.

- Advancing and upholding the mission of the University.
- Understanding and having relevant input in the University's vision, strategies and objectives.
- Assuming, with other Governors, the stewardship role of overseeing the business and affairs of the University.
- Exercising informed judgement – within a reasonable time of joining the Council, becoming knowledgeable about the University and its role in the province, the country, and globally; the academic sector more broadly; emerging trends, issues and challenges, thereby being able to provide wise counsel on a range of issues, through knowledge and experience with topics and their context.
- Understanding the current governance policies and practices, the mandates and authorities of the committees on which he or she serves.
- Understanding that the Governing Council's role is one of oversight with a focus on strategic matters rather than management or administration.
- Preparing thoroughly for each meeting by reviewing the material provided and requesting, as appropriate, additional information in order to appropriately add value in deliberations and exercising oversight.
- Communicating persuasively and logically at governance meetings and being willing to be accountable for and be bound by decisions made by the Governing Council or its Boards / Committees.
- Voting on all matters requiring a decision except where a conflict of interest may exist.
- Committing to participate actively in governance meetings. Attending at least 75% of all meetings and advising the Secretariat in advance if one must be absent and, if there is a need for extended absences, consulting the Chair about the need and implications. Electronic participation can be considered in some circumstances.
- Consistent with the University's values, supporting the fullest range of respectful and constructive debate.
- Maintaining the transparency which the University prides itself on within the immediate and broader communities, by disclosing, considering, and appropriately managing or eliminating any actual, potential, or appearance of a conflict.
- Understanding the obligation to protect confidential information to which Governors are exposed.

(3) Time Commitment

- In addition to being members of the Governing Council, members are also expected to volunteer as members of two Boards and/or Committees of the Council.
- Members are expected to attend the meetings of the Governing Council and the meetings of the Boards and/or Committees of which they are members. Most meetings are scheduled throughout the academic year between September and June, usually beginning at either 4 p.m. or 5 p.m. and continuing for up to two and a half hours.
- In total, a member is expected to prepare for and attend approximately 18 meetings during an academic year.
- From time to time, members are also asked to serve on *ad hoc*, search, or advisory committees.
- Past members have estimated a time commitment averaging approximately four hours per week, translating to approximately 200 hours per governance year (July 1 to June 30).
- Additionally, members of the Governing Council should engage their constituents and attend University and community events to serve as ambassadors of the University.

(4) Composition of the Governing Council

In accordance with the Act, the Governing Council has the following composition (totaling 50 members)³:

Ex Officio	
Chancellor	1
President	1
Appointed	
Government Appointees	16
Presidential Appointees	2
Elected	
Administrative Staff	2
Alumni	8
Teaching Staff	12
Graduate Students	2
Full-Time Undergraduate Students	4
Part-Time Undergraduate Students	2

³ Subsection 2(2) of the *Act*.

(5) Boards and Committees of the Governing Council

The Boards and Committees of the Governing Council are composed of members of the Council as well as individuals within the University community, who have been selected based on their backgrounds and expertise to serve on these bodies. Members of the Governing Council play a critical role in the work of Boards and Committees, and these bodies contribute to the governance of the University in the following ways.

First, the Governing Council has delegated some of its powers to the Boards and Committees. For example, the Academic Board and the Committee on Academic Policy and Programs have final decision-making authority on certain purely academic matters. Accordingly, the Administration would bring such matters directly to the Academic Board or the Committee on Academic Policy and Programs for final approval.

Second, matters which require the ultimate approval of the Governing Council are first brought by the Administration before Boards and Committees for detailed review, assessment, and deliberation. The types of matters brought before a particular Board or Committee depends on the function and responsibilities of that Board or Committee. Following preliminary approval from Boards and/or Committees, such matters progress to the Governing Council for final approval. This decision-making structure facilitates careful examination of matters at a preliminary stage by bodies comprising members with appropriate backgrounds and expertise before they are brought to the Governing Council for final consideration and approval.

Third, the monitorial role of the Governing Council is also shared with its Boards and Committees. It is prudent for certain matters to be monitored by individuals with appropriate backgrounds or expertise. For instance, the Audit Committee is composed of members with accounting and business backgrounds who are qualified to analyze and deliberate on technical matters relating to the internal and external audits of the University's finances.

There are four classes of Boards, Campus Councils and Committees of the Governing Council, each with specific functions and responsibilities⁴:

- (1) the Executive Committee;
- (2) the Academic Board, the Business Board, the University Affairs Board, the University of Toronto Mississauga (UTM) Campus Council, and the University of Toronto Scarborough (UTSC) Campus Council;

A member of the Elections Committee, who is standing for election, involved in an election Campaign, or endorsing a candidate for election, may act as an Election Overseer provided she or he does not participate in considering a matter arising from or pertaining to her or his own constituency or the constituency of a candidate she or he is publicly endorsing.

SECTION 5 - Authority for Elections and these Guidelines⁶

The *Act* empowers the Governing Council to determine the manner and procedure of election of its members, including the determination of constituencies, assign Students and members of the Teaching Staff and Administrative Staff to such constituencies, and conduct such elections, but in the case of election of members by the Administrative Staff, the Teaching Staff and the Students, or any of them, the elections shall be by secret ballot and no person shall be eligible to cast more than one ballot.⁷

SECTION 6 – Commitment Regarding Individuals with Disabilities

The University strives to facilitate the inclusion of individuals with disabilities into all aspects of University life, including their participation in the work of Governing Council, its Boards and Committees. At the same time the University endeavours to protect each individual’s privacy, confidentiality and autonomy (University’s *Statement of Commitment Regarding Persons with Disabilities*, November, 1, 2004).

In developing its procedures for accommodation requests, the University is committed to compliance with existing legislation [*Ontario Human Rights Code* (OHRC) and portions of the *Accessibility for Ontarians with Disabilities Act* (AODA)]. The University is also mindful that accommodation is a shared responsibility and that, to be effective, the process requires the cooperation of everyone involved. The Office of the Governing Council consults on a regular basis with the University’s AODA Office regarding legislation and policy to ensure that its procedures are in compliance. The procedures outlined below indicate the roles and responsibilities of university offices, and of the person seeking accommodation.

Confirmation of Disability

Staff in the Office of the Governing Council do not seek disclosure of the nature of an individual’s disability, nor do they wish to see supporting documentation. However, in order to ensure that the accommodation provided is appropriate, confirmation of disability documentation ordinarily is a necessary component of the process, as provided under Human Rights legislation. Such documentation should be submitted to one of the offices listed in the chart below. That office will review the documentation and discuss options for required accommodation(s). Upon your identification that you are seeking an accommodation within Governing Council, the office to which you submitted documentation will outline suitable accommodation in the form of an Accommodation Confirmation letter that you will then submit to the Office of the Governing Council; this letter will not include any confidential information, but rather will confirm an appropriate accommodation plan.

 - iii) If the voter selects fewer candidates than there are vacancies on the Governing Council to be filled by Administrative Staff, a warning message will advise that the voter is entitled to enter votes for multiple candidates.  - i) the names of each of the candidates together with their respective statements;
 - ii) instructions on the correct method to return the ballot;
 - iii) information on eligibility to use that particular ballot;

 - v) instructions on how to obtain the correct ballot for persons who receive an incorrect ballot;
 - (ii) a small secrecy envelope into which the marked ballot should be sealed; and

(Voters will be instructed to sign and to legibly print their names and the names of the department or office in which they are employed on the upper left corner of this pre-addressed return envelope. Failure to do so will invalidate the ballot.)
- (c) Information about how to obtain a mail ballot will be advertised in the campus media and on the Elections Section of the Governing Council website to target those individuals who are entitled, but did not receive a mail ballot.

- (f) Once a ballot has been received by the Office of the Governing Council, the ballot shall not be returned to the voter, shall not be changed, and no additional ballots shall be provided to replace the ballot already received.

(5) Verification of Ballots

- (a) All mail ballots received by the Office of the Governing Council will be assessed to ascertain their validity by;

(6) Secrecy of Ballots

The secrecy of the balloting process is maintained:

- (a) with respect to the web-based balloting process, votes cast are kept in a database which is separate from and independent of the list of eligible voters, so that votes cast cannot be identified with any individual voter; and
- (b) with respect to the mail balloting process, mail ballots are removed from their sealed secrecy envelopes and tabulated only after all secrecy envelopes received have been removed from the self-addressed envelopes and accumulated in a manner to ensure that none of the secrecy envelopes can be associated with any particular pre-addressed return envelope. This process ensures that a mail ballot cannot be identified with any individual voter.

7.15 Notification of Ballot Counting and Scrutineering

- (a) Prior to the end of the voting period, the CRO shall notify each Administrative Staff candidate in writing of the location and the schedule for counting the mail ballots and any subsequent changes thereto.
- (b) Each Administrative Staff candidate or a designee, so designated by the candidate by submitting a signed statement to this effect to the Office of the Governing Council, shall be entitled to:

- i) The electronic ballot will only permit the voter to vote for as many candidates as the number of vacancies on the Governing Council to be filled by Teaching Staff in the voter's constituency.
 - ii) Once the voter selects a candidate or candidates, as the case may be, for whom to vote, clicking the "submit ballot" button will bring up a confirmation screen. The voter may decline confirmation, return to the ballot screen, and modify the ballot. If the voter acknowledges the confirmation, the ballot will be cast.
 - iii) If the voter selects fewer candidates than there are vacancies on the Governing Council to be filled by Teaching Staff in the voter's constituency, a warning message will advise the voter that he/she is entitled to enter votes for multiple candidates. If the voter chooses not to vote for additional candidates, the voter may cast the ballot without choosing an additional candidate.
 - iv) If the voter leaves all candidate choices blank, a warning message will advise the voter that a selection has not been made. If the voter chooses to cast a blank ballot, the voter may do so.
- (vi) Once the ballot is cast, the ballot cannot be changed and the voter cannot obtain access to the electronic ballot again.

(3) Verification of Ballots

The eligibility of a voter will be verified using the login process. The personnel number and date of birth inputted will be verified against a list of eligible voters compiled using staff records from the Human Resources Information Systems and the Federated Universities.

(4) Mail Ballot Voting

- (a) Teaching Staff without an e-mail account within the utoronto.ca domain may only vote by mail ballot provided by the Office of the Governing Council.
- (i) Photocopies of ballots or copies of ballots obtained from other sources will be declared invalid.
 - (ii) Mail ballots will be mailed to Teaching Staff who do not have e-mail accounts within the utoronto.ca domain at their addresses within the University according to the records of the Human Resources Information Systems and the Federated Universities.
 - (iii) Individuals who will be absent from their University addresses during the voting period may ask to have their ballots forwarded to them at alternate addresses.
- (b) Each mail ballot will be accompanied by:
- (i) an information sheet containing:
 - i) the names of each of the candidates together with their respective statements;
 - ii) instructions on the correct method to return the ballot;
 - iii) information on eligibility to use that particular ballot;
 - iv) a short description of the powers and duties of the Governing Council; and
 - v) instructions on how to obtain the correct ballot for persons who receive an incorrect ballot;
 - (ii) a small secrecy envelope into which the marked ballot should be sealed; and
 - (iii) a pre-addressed return envelope into which the small secrecy envelope should be sealed. (Voters will be instructed to sign and to legibly print their names and the names of the department or

office in which they are employed on the upper left corner of this pre-addressed return envelope. Failure to do so will invalidate the ballot.)

- (c) Information about how to obtain a mail ballot will be advertised in the campus media and on the Elections Section of the Governing Council website to target those individuals who are entitled, but did not receive a mail ballot.
- (d) Non-receipt of mail ballots will not invalidate an election.
- (e) Individuals who wish to vote must cast their ballots in accordance with the following:
 - (i) A voter may vote for as many candidates as the number of vacancies on the Governing Council to be filled by Teaching Staff from the voter's constituency.
 - (ii) Any kind of mark on the ballot that unambiguously indicates an intention on the part of the voter to cast a vote for a particular candidate shall be acceptable provided all other requirements are met.
 - (iii) Ballots must be returned to the Office of the Governing Council in accordance with the instructions provided, including:
 - i) placing the marked ballot into the secrecy envelope;
 - ii) sealing the secrecy envelope;
 - iii) inserting the secrecy envelope into the pre-addressed return envelope;
 - iv) filling in the information required on the pre-addressed return envelope; and
 - v) signing the pre-addressed return envelope.
 - (iv) Ballots must be delivered to the Office of the Governing Council by Canada Post, University Mail, or hand delivery by 5:00 p.m. on Friday, February 16, 2018. Ballots returned by electronic, facsimile or any other means will be invalidated.
- (f) Once a ballot has been received by the Office of the Governing Council, the ballot will not be returned to the voter, shall not be changed, and no additional ballots shall be provided to replace the ballot already received.

(5) Verification of Ballots

- (a) All mail ballots received by the Office of the Governing Council will be assessed to ascertain their validity by:
 - (i) examining the envelope in which the ballot is sealed to ensure that it has not been compromised;
 - (ii) examining each ballot to determine, among other things, its authenticity and whether it was properly marked;
 - (iii) cross-referencing each voter's personal information provided on the pre-addressed return envelope against the staff records provided by the Human Resources Information System and the Federated Universities to determine whether the voter is eligible to vote for the candidate(s) selected by the voter; and
 - (iv) examining the pre-addressed return envelope to determine whether the voter's signature is present and whether all the information required was printed legibly thereon.
- (b) Grounds for invalidating a mail ballot include, but are not limited to:
 - (i) the information required on the pre-addressed return envelope is missing or illegible;
 - (ii) the voter casting the mail ballot is not eligible to vote;

- (iii) the ballot received is not the one provided by the Office of the Governing Council;
- (iv) the voter selected more candidates than the number of vacancies on the Governing Council to be filled by Teaching Staff from the voter's constituency; and
- (v) the voter cast more than one ballot, in which case, all ballots of the voter shall be invalidated; and;
- (vi) the markings on the ballot are ambiguous.

(6) Secrecy of Ballots

The secrecy of the balloting process is maintained:

- (a) with respect to the web-based balloting process, votes cast are kept in a database which is separate from and independent of the list of eligible voters, so that votes cast cannot be identified with any individual voter; and
- (b) with respect to the mail balloting process, mail ballots are removed from their sealed secrecy envelopes and tabulated only after all secrecy envelopes received have been removed from the self-addressed envelopes and accumulated in a manner to ensure that none of the secrecy envelopes can be associated with any particular pre-addressed return envelope. This process ensures that a mail ballot cannot be identified with any individual voter.

8.16 Notification of Ballot Counting and Scrutineering

- (a) Prior to the end of the voting period, the CRO shall notify each Teaching Staff candidate in writing of the location and the schedule for counting the mail ballots and any subsequent changes thereto.
- (b) Each Teaching Staff candidate or a designee, so designated by the candidate by submitting a signed statement to this effect to the Office of the Governing Council, shall be entitled to:
 - (i) observe the tabulation of mail ballots received from Teaching Staff; and
 - (ii) seek verification that the voters voting by mail ballot are eligible to vote for Teaching Staff.
- (c) Mail ballot counting will proceed at the location and in accordance with the schedule indicated in the written notification sent to the candidates, whether or not candidates or their designees are present.

8.17 Announcement of Results

The number of votes received by each candidate (the total number of votes, including both electronic and mail ballots) will be announced at 10:00 a.m. on Tuesday, February 20, 2018 using a method selected by the CRO.

8.18 Recount

- (a) As there are no individual ballots in web-based voting, a recount of electronic ballots will not be possible.
- (b) Mail ballots may be subject to a recount.

- (i) A candidate may request a recount of the mail ballots by filing the form prescribed for this purpose in accordance with the following requirements.
 - i) The prescribed form that must be used will be available at the Office of the Governing Council.
 - ii) The candidate must complete the form, including specifying the grounds upon which the candidate requests a recount, and must file the form by hand-delivery at the Office of the Governing Council by 12:00 noon on Wednesday, February 21, 2018.
- (ii) The Election Overseers shall review the candidate's grounds for seeking a recount as outlined in the form filed by the candidate, and the Elections Committee may:
 - i) dismiss the recount request if it decides that the grounds do not have merit;
 - ii) authorize the recount without a hearing; or
 - iii) hold a hearing in a manner and in accordance with such procedures as it may determine to be appropriate and render a decision thereafter.
- (iii) If authorized by the Election Overseers, a recount of the mail ballots shall be conducted.

8.19 Equality of Votes

- (a) In the case of equality of votes where the election of the candidates receiving an equal number of votes would result in the election of a greater number of candidates than there are vacancies on the Governing Council to be filled by Teaching Staff of a particular constituency, the successful candidate or candidates shall be determined by a second election between or among the candidates of that constituency receiving an equal number of votes, subject to the proviso that no two members of the Governing Council may be from the same department within Constituency V, members of the Teaching Staff of the Faculty of Medicine.
- (b) The CRO shall set the election schedule for any second or subsequent elections.
- (c) If the second election also results in an equality of votes, the CRO shall consult the Elections Committee on how to proceed.

8.20 Filing of Notice of Intent to Appeal and Appeals

- (a) A candidate may appeal any matter arising from the conduct of the elections during the Election Period to the Election Overseers, including the announcement of results, by filing a Notice of Intent to Appeal in accordance with the following requirements:
 - (i) The form of Notice of Intent to Appeal that must be used will be available at the Office of the Governing Council.
 - (ii) The Notice of Intention to Appeal must be filed by hand-delivery at the Office of the Governing Council by 12:00 noon on Wednesday, February 21, 2018.
- (b) The Election Overseers shall review the appellant's grounds for an appeal as outlined in the Notice of Intent to Appeal filed by the appellant and the Election Overseers may:
 - (i) dismiss the appeal if it decides that the grounds do not have merit;
 - (ii) grant the appeal without a hearing if it decides that the grounds have merit; or

- (iii) hold a hearing in a manner and in accordance with such procedures as it may determine to be appropriate and render a decision thereafter.
- (c) The Election Overseers shall render a decision by 5:00 p.m. on Thursday, February 22, 2018.
- (d) The decision of the Election Overseers shall be final and not subject to any further review or appeal.

8.21 Elections Not Necessarily Invalidated by Irregularities

An irregularity, failure, non-compliance or mistake in any way relating to the elections, or to an election in any constituency, shall not invalidate the elections if the Election Overseers decide that the elections were conducted in accordance with the principles of these *Guidelines* and that the irregularity, failure, non-compliance or mistake did not or would not have been reasonably likely to have affected the result of the elections.

8.22 Election expenses

Full-Time Undergraduate Student status will be determined by the definition used in the Student’s academic division. For the purpose of the Governing Council elections, Students at the University of Toronto Scarborough who are registered in a work term will be considered to be Full-Time Undergraduate Students.

“Graduate Student” means a Student registered in the School of Graduate Studies.

9.2 Term of Office

The term of office for a Student member of the Governing Council begins on July 1st in the year in which the member is elected and ends one year later on June 30th.

9.3 Constituencies

Student members of the Governing Council are elected from five constituencies to enable diverse representation on the Governing Council from different Student bodies within the University.

For Full-Time Undergraduate Students Constituency I, no two individuals shall be elected from the same College or Federated University. will be eliminated from consideration for any vacancy on the Governing Council, notwithstanding that these candidates may have received more votes than other candidates from other Colleges or Federated Universities.

For Full-Time Undergraduate Students Constituency II, no two individuals shall be elected from the same faculty or school. Accordingly, if there is more than one candidate from a particular faculty or school in Full-Time Undergraduate Students Constituency II, only the candidate receiving the most votes of the candidates from that faculty or school will be eligible to fill any vacancy on the Governing Council; the other candidates within that same faculty or school will be eliminated from consideration for any vacancy on the Governing Council, notwithstanding that these candidates may have received more votes than other candidates in other faculties or schools within the same constituency.

“Constituent Colleges” refer to the following: Erindale College (also known as the University of Toronto Mississauga), Innis College, New College, Scarborough College (also known as the University of Toronto Scarborough), Woodsworth College, and any other college established by the Governing Council and “Constituent College” refers to any one of them.

(1) Composition of the Academic Board

The Academic Board is composed of 123 people. Of the elected members of the Academic Board who are not also members of the Governing Council, 51 members are elected from the Teaching Staff and 2 members are elected from the Librarians.

“Teaching Staff” means employees of the University who hold the academic rank of Professor; Associate Professor; Assistant Professor; Professor, Teaching Stream; Associate Professor, Teaching Stream; Assistant Professor, Teaching Stream; Lecturer and Senior Lecturer; Tutor and Senior Tutor; Assistant Professor (Conditional); Assistant Professor, Teaching Stream (Conditional); Sessional Lecturer I, Sessional Lecturer II, Sessional Lecturer III, Athletics Instructor and Senior Athletics Instructor but does not include any part-time lecturer who is registered as a student. “Librarian” means an employee of the University, University College, the Constituent Colleges and the arts and science faculties of the Federated Universities who hold the rank of Librarian I, Librarian II, Librarian III, or Librarian IV.

(2) The Function and Responsibilities of the Academic Board²⁰

The Academic Board is responsible for consideration of policy in the academic area and for monitoring matters within this area of responsibility. In general, the Board reviews and assesses matters brought before it by the President and the President’s senior officers which affect the teaching, learning and research functions of the University, including the establishment of University objectives and priorities, the development of long-term and short-term plans, and the effective use of resources in the course of these pursuits.

The Academic Board has final decision-making authority on certain purely academic matters, including, but not limited to, (1) dealing with matters arising in connection with the award of fellowships, scholarships, medals, prizes and other awards for academic achievement and (2) determining and regulating the standards of admission of students to the University, the contents and curricula of all programs and courses of study and the requirements for graduation. With respect to matters which the Academic Board does not have final decision-making authority, most such matters are examined by the Academic Board, and if appropriate, recommended to the Executive Committee, which can confirm approval thereof on behalf of the Governing Council. However, for matters having significant impact on the University as a whole, having serious steering effects on the development of a particular division, or having a major impact on the relationships amongst divisions and relationships between the University and the community at large, such matters normally require the approval of the Governing Council.

Examples of matters reviewed by the members of the Academic Board include:

- academic appeals;

10.3 Constituencies and Departments (or Equivalent Units)

Elected Teaching Staff members of the Academic Board, who are not also members of the Governing Council, are elected from nineteen constituencies to enable broad representation on the Academic Board from various divisions within the University (see table below). Elected Librarians who serve on the Academic Board are elected by and from amongst Librarians, which constitute an additional constituency for the purpose of Academic Board elections.

Teaching Staff's constituencies are determined primarily on the basis of the College, Federated University, faculty, or school in which they hold their major teaching appointments. If a single constituency cannot be identified for an individual on the basis of her or his major teaching appointment, the CRO shall determine the appropriate constituency for the individual following any appropriate consultations. Individuals may consult the CRO if they require clarification as to the constituency to which they belong.

For constituencies with more than one elected member on the Academic Board, including the Faculties of Applied Science and Engineering, Arts and Science, Medicine, the Ontario Institute for Studies in Education, the University of Toronto Scarborough, the University of Toronto Mississauga, the School of Graduate Studies, and Librarians, no more than one person shall be elected from each department or equivalent unit within the particular constituency. Accordingly:

- (1) nominations for a nominee from the same department or equivalent unit as a current member of the Academic Board, whose term will not expire in 2018, will be rejected, unless the nominee is also appointed in another department or equivalent unit which will not already be represented on the Academic Board in the 2018-2019 academic year by another member of the Academic Board, in which case the nominee shall declare on her or his nomination form that she or he is seeking nomination on the basis of her or his appointment in the latter department; and
- (2) if there is more than one candidate from a particular department or equivalent unit, only the candidate receiving the most votes of the candidates from the same department or equivalent unit will be eligible to fill any vacancy on the Academic Board; the other candidates within that same department or equivalent unit will be eliminated from consideration for any vacancy on the Academic Board, notwithstanding that these candidates may have received more votes than other candidates in other departments or equivalent units within the same constituency.

with any particular pre-addressed return envelope. This process ensures that a mail ballot cannot be identified with any individual voter.

 - (iii) If authorized by the Election Overseers, a recount of the mail ballots shall be conducted.

10.19 Equality of Votes

- (a) If two or more candidates within the same constituency receive equal number of votes, the successful candidate or candidates to fill the vacancies on the Academic Board shall be determined by a second election between or among the candidates receiving an equal number of votes, subject always to the proviso that no more than one person shall be elected from each department or equivalent unit on to the Academic Board.

(1) Standing Committees of the UTM and UTSC Campus Councils

The standing Committees of the UTM and UTSC Campus Councils (CC) are the Academic Affairs Committee (AAC), the Campus Affairs Committee (CAC), and the Agenda Committee (AC).²¹

(2) Composition of the UTM and UTSC Campus Councils

The UTM and UTSC Campus Councils are composed of twenty eight people respectively. Of the elected members of the Campus Councils who are not also members of the Governing Council, two Administrative Staff members, four Student members, and five Teaching Staff members may be elected by and from among their respective estates.

For definitions of “Administrative Staff”, “Librarian”, “Students”, and “Teaching Staff” refer to Section 1.

(3) The Function and Responsibilities of the UTM and UTSC Campus Councils and their Standing Committees

On behalf of the Governing Council, the Campus Councils exercise governance oversight of campus-specific matters, as well as any matters assigned to it by the Governing Council from time to time. In general, the Campus Councils are concerned with matters affecting the Campus’ objectives and priorities, the development of long-term and short-term plans and the effective use of resources in the course of these pursuits.

Decisions of the Campus Council may be final with confirmation by the Executive Committee on behalf of the Governing Council, or constitute a recommendation to the Governing Council or one of its bodies.

The following are examples of items reviewed by the members of the Campus Councils and/or one of its Standing Committees:

11.2 Appointments to the UTM and UTSC Campus Councils and their Standing Committees

The terms of reference for the [UTM and UTSC Campus Councils and their Standing Committees](#) allow for appointments to those governance bodies by both the Governing Council and the respective Campus Councils.

Appointments by the Governing Council to its respective governance bodies are carefully considered by the Chair and the Executive Committee based on the skills and experience required on those bodies, the need for both continuity and renewal of membership, and governors' expressed preferences.

The elections for the Governing Council, the Academic Board, the UTM and UTSC Campus Councils, and their Standing Committees will be conducted simultaneously in February, 2018 to allow for full student participation prior to the April examination period and while students are still on campus before leaving for the summer. The timing of the elections process will also ensure that the appointment of governors to the UTM and UTSC Campus Councils and their Standing Committees may be considered for approval by the Governing Council on Thursday, April 5, 2018. Subsequent appointments to the UTM and UTSC governance bodies, which must occur sequentially, may then be considered for approval by June 30th, prior to the start of members' terms on July 1st.

As a matter of procedure, there will be an embargo on the declaration of the result of the elections to the UTM and UTSC Campus Councils and their Standing Committees until after the governor appointments to the UTM and UTSC Campus Councils and their Standing Committees have been approved by the Governing Council. The results will be known only to the Chief Returning Officer and shall not be disclosed to any other member of the Governing Council, including the Chair, or the members of the Governing Council Secretariat.

By agreeing to stand for election to the UTM and UTSC Campus Councils and their Standing Committees all candidates accept that, if elected, they may not be able to serve a) if a seat from their estate/constituency has been filled by the appointment of a member of the Governing Council to a Campus Council or one or more of its Committees or b) if a seat from their estate/constituency has been filled by the appointment of a member of the UTM or UTSC Campus Council to one or more of its Committees.

11.3 Candidates of more than one election of the Governing Council, the UTM and UTSC Campus Council and their Standing Committees

Some candidates may choose to participate in multiple elections for seats on Governing Council, and the Campus Councils and/or their Standing Committees.

In instances where candidates are successful in winning the Governing Council election and the election of the Campus Councils and/or their Standing Committees, the candidate will be declared elected for the Governing Council only. The candidates with the next highest number of votes polled in each of the elections for the Campus Council and/or their Standing Committees will then be declared winners of those elections.

In instances, where candidates are successful in winning the Campus Council election and the election of one or both of their Standing Committees, the candidate will be declared elected for the Campus Council only. The candidates with the next highest number of votes polled in each of the elections for the Standing Committees will be declared winners of those elections.

- (c) The Election Overseers may disqualify from the election (or void the election of) any candidate found to have committed a single Severe violation or two Serious violations of these *Guidelines*, or the policies and regulations of the University, its faculties, buildings and residences.

- (i) At their discretion, the Election Overseers may choose not to disqualify (or void the election of) a candidate found to have committed two Serious violations if the cumulative effect of those violations does not, in their view, warrant disqualification (or voiding).

(d) Declaration of Winning Candidate in the Event of a Disqualification

- (i) In the event a winning candidate in any election is disqualified (or the election of a candidate is voided), the candidate with the next greatest number of votes will be declared elected, provided that this does not violate the proviso that no two elected candidates may be from the same college, campus or faculty in certain constituencies.
